The Forward

Gather ye rosebuds while ye may,
Old time is still a flying,
And this same flower, that smiles today,
Tomorrow will be dying.

Dedication

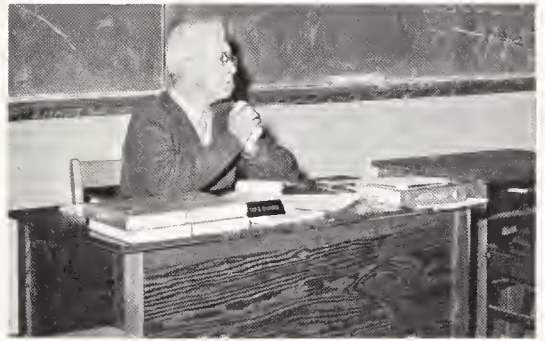

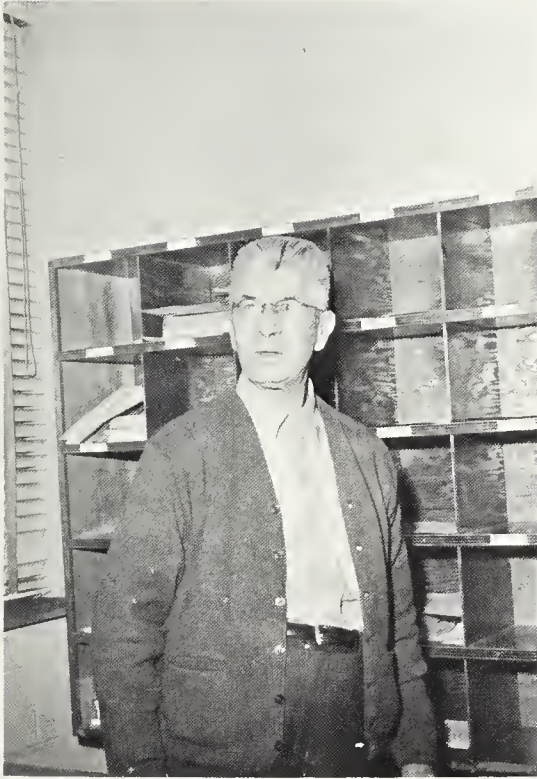

Mr. Norman S. Upchurch

Within my hand may I possess,
A love that has no end.
To show each child that I ever touch,
I want to be his friend.

to Caswell County*

To one who . . .

Has demonstrated his devotion to education through his efforts to provide students with the knowledge of books . . .

Has supplemented those efforts with personal works of understanding, patience, impartiality, and wisdom . . .

Has stamped with approval the progress of each student and the school . . .

Has dedicated the greatest gift-himself-to the continued development of us, the school;

With love and appreciation for having known him, we sincerely dedicate the 1969 Yan-Tat to . . .

Mr. Norman S. Upchurch.

Administration

Mr. M.Q. Plumblee, Principal

Congratulations to the Yearbook Staff for this fine publication. You have rendered a distinctive service to the school in documenting some of our many activities. Your talents and dedicated service are truly appreciated by all those included herein. Thanks to you and your faithful sponsor. For this we are all indeed grateful.

M.Q. Plumblee, Principal

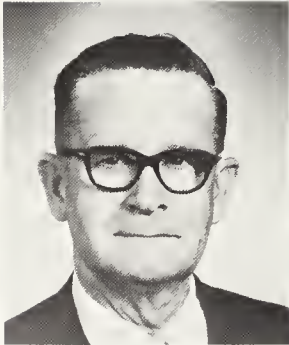

Mrs. Elizabeth Lassiter, Secretary

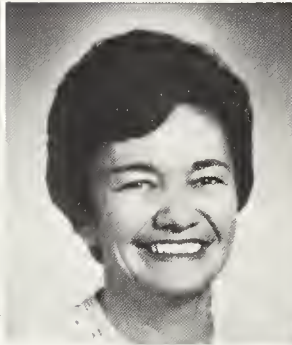

Working with young people keeps the heart young. For that reason I am grateful for the opportunity of being here at Bartlett Yancey High School with some of the nicest young people in the world.

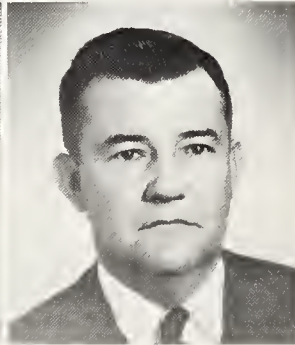

'Tis education forms the common mind,
Just as the twig is bent,
The tree is inclined.

Cafeteria Staff

I would rather have a little rose
From the garden of a friend,
Than to have the choicest flowers,
When my stay on earth must end.
I would rather have the kind words
And a smile that I can see,
Than flattery when my heart is still
And life has ceased to be.

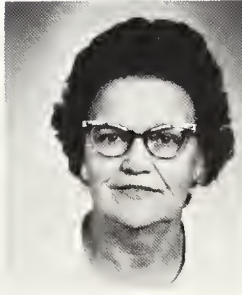

I would rather have a loving smile
From friends I know are true,
Than tears shed round my casket
When this world I bid adieu.
I want the flowers while I'm here,
Be they pink or white or red;
I'd rather have one blossom now
Than a truckload when I'm dead.

Co-editors work diligently toward meeting deadline.

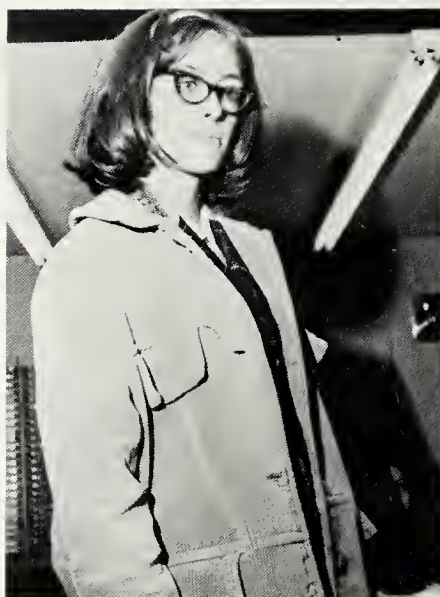

Now, where is that "R"?

Is this what our principal does when he leaves school early?

We finally got a scoreboard.

"LORD HAVE MERCY!!!"

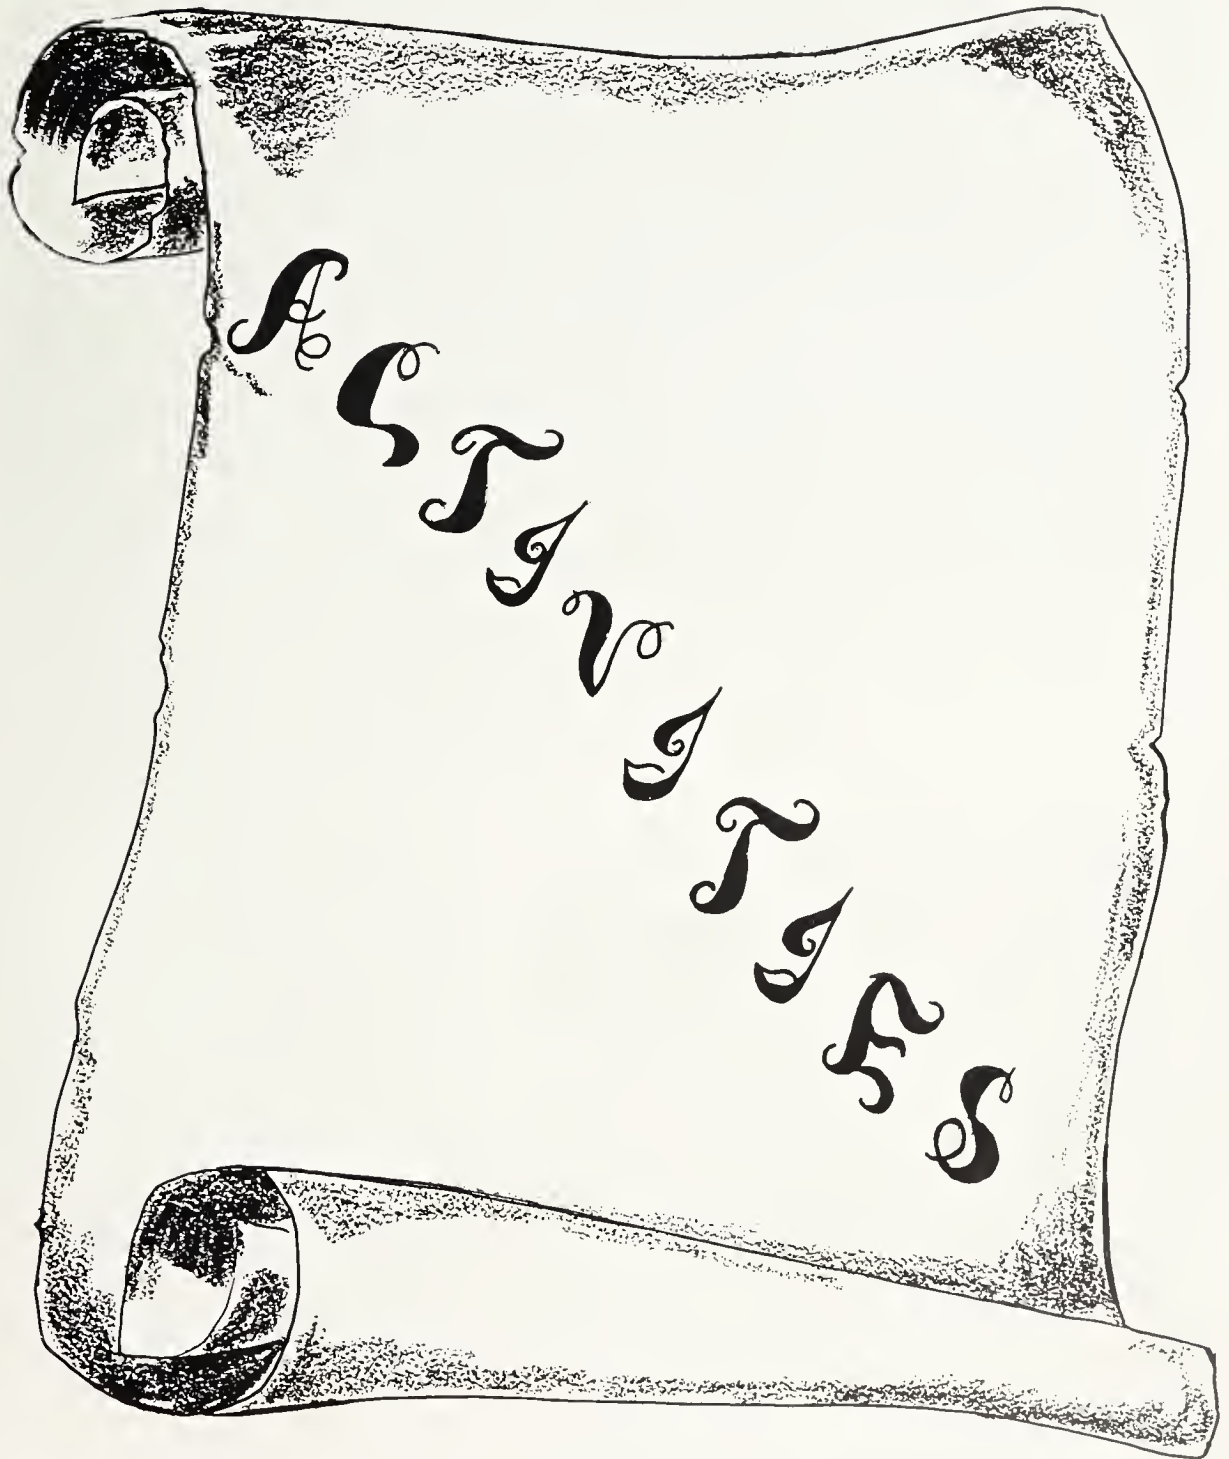

New pressbox adds to looks of field.

What kind of dance do you call that?

That look of innocence; but we know better.

The Future Farmers of America or F.F.A. as it is commonly called is a national organization for urban and farm boys from 14 to 21 years of age. It was organized in 1928 by some devoted agriculture teachers who felt that farm boys needed more than just learning how to farm. Since then it has become one of the greatest organizations for boys in the world. It not only has an active membership in the U.S., but in Puerto Rica also.

The primary aim of the F.F.A. is to develop aggressive, competent leadership. No time in our nation's history has the need been so great.

The F.F.A. is a natural and practical program which believes in having by doing. It helps to explore careers directly related to agriculture and to recognize a need for continuing education.

A high school paper has a high educational value to student workers and a special value and acceptability to student readers.

The purpose of a school paper is to publish the news and events of student and school life. It may also be a springboard for those students who will pursue careers in journalism or allied fields, where it helps to know how to write clearly and concisely.

The school newspaper reflects the kind of school it represents. So, it is very important that it be at its best.
